RE: FUND PROSPECTUS MODIFICATION – SUSTAINABILITY-RELATED INFORMATION

Dear Sir/Madam:

Further to the application of the European Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector ("SFDR"), LFIS Capital, acting as management company of undertakings for collective investment in transferable securities (UCITS) and alternative investment funds (AIF) for the sub-funds of the Luxembourg-domiciled LFIS Vision and LFIS Vision UCITS sicav, as well as for the France-domiciled FCP Perspective fund (the "Funds"), would like to inform you that the related Fund prospectuses or private placement memoranda (the "Prospectuses") have been amended as of 10 March 2021 or before with, for each Fund, the information relating to the:

- integration and the inclusion of sustainability risks in the Fund investment process;
- possible impact of sustainability risks on the Fund performance;
- classification of the Fund under SFDR articles 8 or 9, whenever applicable.

The amended Prospectuses are available via the following channel:

- LFIS Capital website: www.lfis.com
- On request at: clientservices@lfis.com

More general information on the integration of sustainability risks in the investment process of the Funds managed by LFIS Capital can be found in the [LFIS Capital ESG policy](#), available on the LFIS Capital website.

Best regards,

Sofiène Haj-Taieb
President
